### Abrusci's Dine Out Program

- What: 5 day/night fundraiser
- Where: Lunch/Dinner at our restaurant
- Why: to partner with non-profits to raise money with a win-win approach
- When: mutually beneficial week agreed to by both non-profit and Abrusci's
- How: Abrusci's creates the custom flyer, the non-profit organization circulates the flyer to their community ahead of time; folks come in to dine with flyer in hand and at the end of their meal, they give flyer to server; following week, all flyers are tallied and profits are then shared (15% based on the subtotal for each ticket goes to non-profit); flyer cannot be distributed inside our restaurants, nor can they be distributed outside our front doors; the idea is that the non-profit drives new business to our stores, creating the win-win!
